# COVID Protocol

## Per the SDIRC Health services policies:

Sick children should not be sent to school. Students should have no vomiting and be **fever free for 24 hours without fever reducing medication** before being sent back to school after an illness. If a student becomes sick at school, a call will be made to the parent or guardian to come pick up the student.

Children who are suspected of having a contagious disease will be excluded from school until a physician or medical practitioner has evaluated them. The student must bring a note from the medical practitioner when they return to school.

All health policy documents are available on the Wabasso Website under Student and Families tab, Documents and Policies.

# Learning to Live

Wabasso serves an entire student body with unique needs, not always aligned to that of “typical” or age-appropriate peers. Some of the needs of our students are self-care skills, socialization, independence and job-skills to name a few. Those can be categorized as “Living Skills” or skills needed or necessary for supported or independent living. We realize that some students require more than academics alone. Therefore, we developed an opportunity to engage students in skills that EACH student requires personally to help them “Learn to Live”. We are currently seeking a Grant from the Education Foundation “Big Ideas” to support the funding of this opportunity.

# IEP (BE AN ADVOCATE)

Each student at Wabasso has an IEP (Individualized Education Plan) which is reviewed annually to determine ongoing, appropriate services for your child. The parent is a part of the IEP team and **SHOULD** be contributing to the conversation regarding your child's needs. Please know that you are encouraged to be an advocate in the process. We are a team in service to your child. IEP meetings will be set through the School Resource Specialist.
